

# Speed Up

## Funkerman

Try to keep up with me  
'Cause I can give you some  
All the loving you need  
I give you such a rush  
Baby step up your game  
Keep up with my pace  
Girl I know that you want it  
Don't hesitate I want you behind my bedroom doors  
Ready or not, we're about to speed up Try to keep up with me (me , me, me)  
'Cause I can give you some, oh oh  
All the loving you need (need, need, need)  
I give you such a rush (rush , rush)  
Baby step up your game (game, game, game)  
Keep up with my pace (pace, pace)  
Girl I know that you want you want, you want, want it  
Don't hesitate I want you behind my bedroom doors  
Ready or not, we're about to speed up  
I'm lovin' you girl (3x) Try to keep up with me (me , me, me)  
'Cause I can give you some, oh oh  
All the loving you need (need, you need, need)  
I give you such a rush (rush , rush)  
Baby step up your game (game, game, game)  
Keep up with my pace (pace, pace)  
Girl I know that you want (you want, you want, want it)  
Don't hesitate I want you behind my bedroom doors  
Ready or not, we're about to speed up  
I'm lovin' you girl (2x)
