

# Is This Really Happening to Me?

## Phantom Planet

Here we go,  
Something tells me that I've been here before  
Even though,  
I might be dreaming I don't care I want more  
But I don't know[Chorus]  
Tell me please,  
Is this really happening to me?  
Is this really happening to me?  
(ba, ba, ba, ba)  
Is this really happening to me?  
(ba, ba, ba, ba)  
Is this really happening to me? Turn on the lights  
Could you pinch me, shake me, scream at me loud?  
'Cause for my life,  
I couldn't tell you if I'm kissing you now  
I just don't know[Chorus] I don't know[Chorus]
