## **Some Kinda Hate**

## **Misfits**

There's some kinda love And there's some kinda hate The maggots in the iron lung Won't copulateAnd it's a woah oh oh oh And it's a woah oh oh oh And it's a woah oh oh oh I said woah woah oh, oh oh ohHear the cats cry Little tortured babies in pain Cracked necks by settled limbs They don't hesitateAnd it's a woah oh oh oh Baby, woah oh oh oh And it's a woah oh oh oh I said woah, woah, ohThere's some kinda love And there is some kinda hate I'm gonna tell you all about it now The maggots in the eye of love Won't copulateAnd it's a woah oh oh oh Baby, woah oh oh oh Baby, woah oh oh oh I said woah woah oh, woah oh
