New Shoes

Caleb Klauder

From version by Foghorn Stringband on Music City Roots video

Oh now if youâ€™re goin down to New Orleans, baby won't you take me with you
Oh cuz I can't stand sittinâ€™ around wondering what it is that you do

Oh now it seems the way you talk to me ain't like the way you used to
And if things down here don't straighten out, Iâ€™m gonna buy myself some new shoes

CHORUS 1
Iâ€™m gonna walk away from your heart
Iâ€™m gonna sing my way back home
do-an-do-an-do

Oh now Louisiana and Baton Rouge, Newton Town, I sing the blues to you
Oh and so I call you on the telephone to find out you're not all alone and Iâ€™m blue
Oh so I walk on down to the five and dime to buy some shoes and start to look real fine today
Oh and I got my head up high and I never cry or carry on that way

CHORUS 2
Iâ€™m gonna walk away from your heart
Iâ€™m gonna sing my way back home
Iâ€™m gonna walk away from your heart
Iâ€™m gonna sing my way back home
do-an-do-an-do

Mandolin and fiddle solo

Oh now Louisiana and Baton Rouge, Newton town, I sing the blues to you
Oh I call you on the telephone, I find out you're not all alone and Iâ€™m blue
Oh so I walk on down to the five and dime, I buy some shoes and start to look real fine today
Oh and I got my head up high and I never cry or carry on that way

CHORUS 3
Iâ€™m gonna walk away from your heart
Iâ€™m gonna sing my way back home
Iâ€™m gonna walk away from your heart
Iâ€™m gonna sing my way back home
Ooooh Iâ€™m gonna walk away from your heart
Yes Iâ€™m gonna sing my way back home
Ooooh Iâ€™m gonna walk away from your heart

Yes Iâ€™m gonna sing my way back home
do-an-do-an-do
