Me

Caroline Dare

So what if I'm not into Friday night football
Fancy dress formals?
Or wait around for some heart break boy's phone call
Everything's my fault
Then he says he wants to break up
No, I'm not perfect I make mistakes
I've learned it's okayI'm not gonna do what everyone else does just because I'm gonna be who I want
I don't care about who I impress by the way I talk or the way I'm dressed
I'll be here doing my thing
Cause maybe, maybe
Maybe that's just meI shut the whole world out
I'll do it right now
With my music up loud
Everything I need is in my headphone speakers
Like a newly converted rock and roll believer
I may be different if you listen
You'll understandI'm not gonna do what everyone else does just because I'm gonna be who I want
I don't care about who I impress by the way I talk or the way I'm dressed
I'll be here doing my thing
Cause maybe, maybe
Maybe that's just meMaybe, maybe, maybe that's just
Maybe, maybe, maybe that's just
Maybe, maybe, maybe that's just
Maybe, maybeI'm not gonna do what everyone else does just because I'm gonna be who I want
I don't care about who I impress by the way I talk or the way I'm dressed
I'll be here doing my thing
Cause maybe, maybe
Maybe that's just meMaybe that's just me
Maybe, maybe
Maybe that's just
Me
