

Start Wearing Purple

Gogol Bordello

Start wearing purple wearing purple
Start wearing purple for me now
All your sanity and wits they will all vanish
I promise, it's just a matter of time...

So yeah, ha

Start wearing purple wearing purple (he)
Start wearing purple for me now
All your sanity and wits they will all vanish
I promise, it's just a matter of time...

I know you since you where at twenty, and I was twenty,
but thought that some years from now
a purple little little lady would be perfect
for dirty old and useless clown...

So yeah, ha

Start wearing purple wearing purple
Start wearing purple for me now
All your sanity and wits they will all vanish
I promise, it's just a matter of time...

So yeah, I know it all from Diogenis to the Foucault
from Lozgechkin to Paspартu
I ja kljanus obostzav dva paltza
shto muzyka poshla ot Zvukov Mu!...

Start wearing purple wearing purple (da da da da da)
Start wearing purple for me now

Start wearing purple for me now!

All your sanity and wits they will all vanish
I promise, it's just a matter of time...

So Fio-Fio-Fioletta! Etta! Va-va-va-va-va-va dama ti moja!

Eh podayte nam karetu, votetu, i mi poedem k ebenjam!

So yeah, ah start wearing purple wearing purple
Start wearing purple for me now
All your sanity and wits, they will all vanish
I promise, it's just a matter of time!...
