

# Dive Into Me

## Big Country

I feel the way the wind blows  
It tells me where you've been through  
I watch the way the sun sets  
Until the night's inside you  
Some days I just don't worry, I let it walk through me  
Some days I need to bury the very depths of me  
So out here to the east of Eden  
I let salvation be  
I was waiting, I was watching  
Would it ever be there for me  
And I found that hope and a lucky card  
Were all I had to walk with me  
Had to walk with me  
I watch the way the crow flies  
I know it always seems so easy  
But if I see it in a grey sky  
Can I be sure about the way it leads me  
Some days I just don't worry, I let it walk through me  
Some days I call upon the very depths of me  
So out here to the east of Eden  
I watch your soul run free  
I was waiting, I was watching  
Would it ever be before me  
And I found that hope and a lucky card  
Were all I had to walk with me  
I was waiting, I was watching  
Would it ever be before me  
And I found that hope and a lucky card  
Were all I had to walk with me  
Some days will stay a thousand years  
Some pass like the flash of a spark  
Who knows where all our days go  
Out here we lie together  
Outside the thunder gathers  
Why care about the weather  
It always ends in dark  
I looked west in search of freedom and I saw slavery  
I looked east in search of answers and I saw misery  
Some days I just don't worry, I let it walk through me

Some days I walk into the very depths of me  
So out here to the east of Eden I let my conscience be  
I was waiting, I was watching  
Would it ever be before me  
And I found that hope and a lucky card  
Were all I had to walk with me
