

# Shock To The System

Billy Idol

Woah yeah  
It was a night  
Oh what a night  
L.A. burning bright  
Oh what a night Say yeah, come on  
It makes my world stand still  
Oh riot, rape, race and revolution, oh yeah  
Here come the fire, and my world burns still I say, "Yeah"  
Well, you can rock this land baby Like a shock to the system  
I feel good, well alright  
Like a shock to the system  
I say, "Yeah, ain't it irie?" It was a night  
Hell of a night  
L.A. it really was, oh what a riot  
I said, "Yeah, come on"  
It makes my life feel real Oh fear police and civil corruption, oh yeah  
Is there a man who would be king?  
And the world stood still Oh yeah loud  
You can rock this land baby  
Yeah Like a shock to the system  
It feel good, well alright  
It's like a shock to the system  
I said, "Yeah, come on baby" Shock to the system  
Feel good, well alright  
Like a shock to the system  
I say, "Yeah", I say, "Yeah", I say, "Yeah"  
Come on baby Yeah!  
Well you can rock this land baby Like a shock to the system  
It feel good, well alright  
It like a shock to the system  
I say, "Yeah ain't it irie?" Shock to the system  
It feel good, well alright  
Like a shock to the system  
I say, "Yeah", I say, "Yeah", I say, "Yeah"  
Come on baby Shock to the, shock to the  
Shock to the system  
Loud I gotta Shock to the, shock to the  
Shock to the system  
Yeah I gotta Shock to the, shock to the

Shock to the system  
Yeah I gotta Shock to the, shock to the  
Shock to the system  
Yeah I gotta You could be king  
Or I could be king  
Yeah well You could be king  
Or I could be king  
Well I gotta You could be king  
Rock this system  
Say it louder The world still burns
