

How Can I Love You More (Sasha Qat Mix)

M People

My love

Uhh

Uhh

Uhh

Uhh I enter the temple of holy Love

And shout your name to God above

I tell myself, "This is no game"

I only hope, you feel the same

They say that, "Love's a two way thing"

And of all the pleasure it may bring

But our love will never be

Until you give yourself to me How can I love you more?

How can I love you more?

(Please tell me)

How can I love you more?

(More)

I give you a love so pure

(Pure) Losing you would make me feel

Helpless, weak, alone, unreal

Life, I could not contemplate

I need your love, don't make me wait

Don't tell me, "It's not enough"

I try so hard, don't be so tough, I

I never felt this way before

I'm sick, and baby, you're my cure How can I love you more?

How can I love you more?

(Ooh baby)

How can I love you more?

I give you a love so pure How can I love you more?

How can I love you more?

(Ooh baby)

How can I love you more?

I give you a love so pure

So pure My love

My love

My love

So pure

Holy love How can I love you more?

(Ooh baby)

How can I love you more?

(More)

How can I love you more?

(Ohh, please tell me)

How can I love you more?

(Yaa)

How can I love you more?

(Ooh baby)

How can I love you more?

(More)

I give you a love so pure

(Pure)

How can I love you more?

(More)

How can I love you more?

(More)

(Please tell me)

How can I love you more?

(More)

I give you a love so pure
