Comes

Red Red Meat

Jawbone tension, tan your scar
Dowse your eyes
Shadow stranger to kill the taste of you
Aim your stare, the fountain lights
Halfway spent
Lost my patience halfway through
All the timeComes and comes
Comes and goes
Comes and comesBay of elevator, suede
Watched your hands all night
Not around to bail me out this time
What you need and what you need
Caught between
Lost my patience halfway through, halfway spentComes and comes
Comes and goes
Comes and comes
