

# If I Could Make a Livin' Drinkin'

Kevin Fowler

Holding down a job too long  
Ain't never been my forte  
Soon as I'm hired I end up fired  
For showing up too late I ain't too good at hammer swinging  
Or slapping on that pane  
But I'm highly skilled and qualified  
For doing just one thing Yeah, if I could make a living drinking  
I'd be rolling in the dough  
Chug my way up the corporate ladder  
I'd be the boss in no time at all I'd be richer than Oprah Winfrey  
If I had a nickel for every beer  
Yeah, if I could make a living drinking  
I'd be employee of the year I'd never call in sick  
Wouldn't mind all this working overtime  
I'd be too busy boozing to every join a union  
I'd never run up a picket line I'd work through my lunch hour  
Wouldn't never retire  
Never touch my 401K  
If you do what you love and you love what you do  
You'll never work a single day Yeah, if I could make a living drinking  
I'd be rolling in the dough  
Chug my way up the corporate ladder  
I'd be the boss in no time at all I'd be richer than Oprah Winfrey  
If I had a nickel for every beer  
Yeah, if I could make a living drinking  
I'd be employee of the year Yeah, if I could make a living drinking  
I'd be rolling in the dough  
Chug my way up the corporate ladder  
I'd be the boss in no time at all I'd be richer than Oprah Winfrey  
If I had a nickel for every beer  
Yeah, if I could make a living drinking  
I'd be employee of the year Oh, if I could make a living drinking  
I'd be employee of the year Yeah, I'd have more money than ol' Bill Gates  
I'd be richer than Hugh Hefner  
Yeah, I'd have more women than ol' Tiger Woods  
Well, maybe not that many, he's got a lot of women  
You know that I mean, show me the money
