

At Your Best

Aaliyah

Let me know, let me know
Let me know, let me know
Let me know When I feel, what I feel
Sometimes it's hard to tell you so
You may not be in the mood to learn
What you think you know There are times when I find
You wanna keep yourself from me
When I don't have the strength
I'm just a mirror of what I see But at your best, you are love
You're a positive motivating force within my life
Should you ever feel the need to wonder why
Let me know, let me know Let me know When you feel, what you feel
How hard for me to understand
So many things have taken place
Before this love affair began But if you feel, oh, like I feel
Confusion can give way to doubt
For there are times when I fall short of what I say
What I say I'm all about, all about But at your best, you are love
You're a positive motivating force within my life
Should you ever feel the need to wonder why
Let me know, let me know Tell me what it is
(Tell me what it is)
There's no need to make believe
(Make believe, no need to make believe) Look beyond your own
(Look beyond your own)
Try to find a place for me
(Try and find another place for me) 'Cause at your best, you are love
You're a positive motivating force within my life
Should you ever feel the need to wonder why
Let me know, let me know Let me know, let me know, let me know
See, stay at your best baby
