Stripped Away

ASHES dIVIDE

I Motivate to forget so I can endure your world
Tell myself it's ok cos you say you're finding me pretty enoughYou stripped away
Something I'll never get back someday
I'm stuck in doubt, looking for the door that leads me outBut I reduced to a little child, scared to run away
I reduced to a little child, (who) you've stripped away
Something I'll never get back someday.umm.you hit and rage as I bleed as still you know I'm made to feel obscene,
Left vulnerable from a past you've heard but never seen
You're so scared that I'llRefuse to lay down tonight,
And tolerate your world...Stand up for myself and fight, on your knees
You're finding me pretty enough..
I finally see the light tonight
Have I been pathetic enoughYou will feel a turn in tides tonight
And all from this little childAll from a little child, who's finally turned away
All from a little child, who's finally turned awayDrift away...
Somewhere and never come back someday
