No Sympathy

Peter Tosh

I can't find no love
No sympathy
What kind of love
They've got for meI'm on my way
To happiness
Where I can find
Some peace and restWhen I'm in troubles, yeah
Only me only, only me me feel the pain
No one good word of advice
From any of my so-called friendsI can't find no love
No sympathy
What kind, what kind of love
They've got for meI'm on my way, yes
To happiness
Where I can find, where I can find
Some peace and restMight as well, might as well
I get out, I get out of hell
Hell could never be made for me
So I'm gonna search, search 'til I'm freeNo love, no love
No sympathy
What kind, what kind of love
They've got for meI'm on, I'm on, I'm on my way
To happiness
Where I can find, where I can find
Some peace and restI can't find no love
No, no sympathy
What kind, what kind, what kind of love
They got, they got, they got for meOn my way
To happiness
Where I can find, can find
Some peace and restI can't find no love
No sympathy
What kind, what kind
They've got for meThey don't love themselves
So they can't love no one else
They don't love themselves
So they can't love no one elseI just can't find, find, find no love
I can't find, fand, find no sympathy
I can't find, can't find, can't find no love at all

What kind of love, love, love
People got for meI'm searchin'
