Broken By You

Jordan Knight

First lonely night
What will I do
I feel my heart breaking in two
I'm such a fool
When will I learn
I fell so deep
Then I got burnedIf you gave just one reason why
My heart just might let go
Maybe one day I will fall in love again
But for now I'll just leave my heart in twoIf I never fall in love again
If I never touch your skin again
If I never feel again this way
If I never see another day
Remember me
Remember this
'Cause one thing that will never change
Is the feeling in my heart
So broken by youLove still remains
After you're gone
Girl please explain where did I go wrongIf you gave just one reason why
My heart just might let go
Maybe one day I will fall in love again
But for now I'll just leave my heart in twoIf you gave just one reason why
My heart just might let go
Maybe one day I will fall in love again
But for now I'll just leave my heart in twoIf you gave just one reason why
My heart just might let go
Maybe one day I will fall in love again
But for now I'll just leave my heart in two
