The Heist

Rival Sons

I'm not a violent man
But I can't seem to cope
I tie a dangerous knot
To the end of my ropeBaby, baby don't worry
I'm coming home, home with the money
Baby, baby don't worry
I'm coming home, home with the moneyI got four mouths to feed
And a woman in doubt
I'm walking in with a gun
And I'll be rich coming out
Baby, baby don't worry
I'm coming home, home with the money
Baby, baby don't worry
I'm coming home, home with the moneyI slip the paper to the teller
I got my sunglasses on
"Stay calm" is what I tell her
That's when I hear the alarmBaby, baby don't worry
I'm coming home, home with the money
Baby, baby don't worry
I'm coming home, home with the money
Baby, baby don't worry
I'm coming home, home with the money
Baby, baby don't worry
I'm coming home, home with the money
