

i'll take that as a yes

Phil Vassar

You like a dozen wine red roses
Candle lights on porcelain set tables
And that's fine
Well, I'll go out of my way for you anytime, that's right
The fire's warm so you take off your sweater
Now it's my turn and I'll do you one better
That's the game we both like to play
You wink, I laugh 'cause we know
A little hug leads to a foot rub
Then a hot tub
Then a French kiss on a bear rug
Do you like it
Do you like it
How about this
Wanna try it?
Oh, oh, oh
I'll take that as a yes
You like snugglin' with your pillow
With my arms tight holdin' us together
Breathin' deep
Driftin' like a feather in a stream
Then I touch you on your shoulder
Feel your skin soft underneath my fingers
And I know we'll never get to sleep
You wink, I laugh 'cause we know
A little hug leads to a foot rub
Then a hot tub
Then a french kiss on a bear rug
Do you like it
Do you like it
How about this
Wanna try it?
Oh, oh, oh
I'll take that as a yes
It's written all over your face
There's no mistake, no guess, no doubt
No beatin' around the bush
Baby it's understood
You wink, I laugh 'cause we know
A little hug leads to a foot rub
Then a hot tub
Then a French kiss on a bear rug
Do you like it
Do you like it
How about this
Wanna try it?

Oh, oh, oh
I'll take that as a yes I'll take that as a yes I'll take that as a yes
'cause we know
That a little hug leads to a foot rub hot tub bear rug I like it
I like it
