

# The Word Is Out (West Mix) [Extended Version]

**Jermaine Stewart**

You had to be the one to say it  
You couldn't keep it  
Our secret, oh, no All over town  
Everybody's talking  
It ain't no secret anymore You are the one they're saying  
And that's phony information  
My confidence  
You've been betraying I don't know what  
(I don't know what) to do  
Because the word is out That you and I are lovers (oh, yeah)  
That you and I are lovers  
That you and I been getting it on  
The word is out That you and I are lovers (oh, yeah)  
That you and I are lovers  
That you and I been getting it on  
It on, it on, it on, it on There's nothing left  
To do but stop it  
I won't be beaten  
Oh, no, I won't I can't stand the gossip  
Out on the streets now  
How could they see us  
Behind closed doors Why did you have to tell them  
I told you not to say a word  
Why did you have to say it  
We were never seen (never seen)  
Now I can't believe the word is out That you and I are lovers  
That you and I are lovers (oh, yeah)  
That you and I been getting it on  
The word, the word, the word is out That you and I are lovers  
That you and I are lovers  
That you and I been getting it on  
The word is out That you and I are lovers  
That you and I are lovers (oh, yeah)  
That you and I been getting it on  
The word, the word, the word is out That you and I are lovers (oh, yeah)  
That you and I are lovers  
That you and I been getting it on  
It on, it on, it on, it on You are the one they're saying  
And that's phony information

My confidence  
You've been betraying I don't know what  
(I don't know what) to do  
Because the word is out That you and I are lovers  
That you and I are lovers  
That you and I been getting it on The word, the word, the word is out That you and I are lovers (oh, no)  
That you and I are lovers (ooh, yeah)  
That you and I been getting it on  
The word is out That you and I are lovers  
That you and I are lovers  
That you and I been getting it on  
I told you not to tell your friends  
Oh, yeah That you and I are lovers  
That you and I are lovers  
That you and I been getting it on  
The word is out That you and I are lovers  
That you and I are lovers  
That you and I been getting it on
