Second Chances

Emma McGann

Read my lines a hundred times
Acted out the scene
You turn around, I say hello
You asked me where Ive beenDown fast lanes
Photobooths and
Bloodstains
New tattoos and
Champagne and
Getting over you
Getting overNow, whats your game about?
Cause youre losing out
Cant get around this
You play it like we're cool
Its because of you
I dont give second chancesoh oh oh oh oh ohNo second chancesoh oh oh oh oh ohI deny every lie
Took one for the team
Fighting for your love before
You broke it selfishly
But chasing after what i want
Will bring me to my knees
Where i walk, where i run
Your ghost is haunting meDown fast lanes,
Photobooths and
Bloodstains,
New tattoos and
Champagne and
Getting over you
Getting overNow, whats your game about?
Cause youre losing out
Cant get around this
You play it like we're cool
Its because of you
I dont give second chancesoh oh oh oh oh ohNo second chancesoh oh oh oh oh ohDont get fussy baby
Dont freak out, dont cry
I said from the start
You only get one tryDont get fussy baby
Dont freak out, dont cry
I said from the start
You only get one tryDont get fussy baby

Dont freak out, dont cry
I said from the start
You only get one tryNow, whats your game about?
Cause youre losing out
Cant get around this
You play it like we're cool
Its because of you
I dont give second chancesDont get no
Dont get no
Dont get no
Dont get no
Second chances
No second chances
Dont get no second chances
Dont get no
Dont get no
Dont get no second chances
I dont give second chances
