Cockroaches

Nailbomb

It would be the best
Everyone could go to hell
Turn into yourself
Always someone elseDon't need sympathy
Smile it's nothing but teeth
I'll keep my integrity
Even if I have to sleep on the streetLook around what you're doing
You think God's in you
Telling people what to do
You don't know who are youLook around what you're doing
You think God's in you
Telling people what to do
You don't know who are youFuck
FuckIt would be the best
Everyone could go to hell
Turn into yourself
Always someone elseLook around what you're doing
You think God's in you
Telling people what to do
You don't know who are youI don't need sympathy
Smile it's nothing but teethLook around what you're doing
You think God's in you
Telling people what to do
You don't know who the fuck are youI don't need sympathy
Smile it's nothing but teeth
