

# Cockroaches

## Nailbomb

It would be the best  
Everyone could go to hell  
Turn into yourself  
Always someone elseDon't need sympathy  
Smile it's nothing but teeth  
I'll keep my integrity  
Even if I have to sleep on the streetLook around what you're doing  
You think God's in you  
Telling people what to do  
You don't know who are youLook around what you're doing  
You think God's in you  
Telling people what to do  
You don't know who are youFuck  
FuckIt would be the best  
Everyone could go to hell  
Turn into yourself  
Always someone elseLook around what you're doing  
You think God's in you  
Telling people what to do  
You don't know who are youI don't need sympathy  
Smile it's nothing but teethLook around what you're doing  
You think God's in you  
Telling people what to do  
You don't know who the fuck are youI don't need sympathy  
Smile it's nothing but teeth
