Hopeless

Khalid

[Verse 1]
Spend my time worrying of broken promises
Focused on the smell of all the burnt out cigarettes
My thoughts play on repeat, only comfort that I keep
'Cause in a moment I'll be something you will forget[Refrain]
Hopeless hopelessly romantic
You, you got me stranded
Ooh, I'm blown blown blown[Verse 2]
Now tell me was I ever something that you could regret
I know I wasn't the one for you, but at least I tried my best
Surrounded by questions like, "Why'd you two part ways?"
But if my memories right, you're the one that left[Refrain]
I'll be hopeless hopelessly romantic
You, you got me stranded
Ooh, I'm blown blown blown[Bridge]
Yours to lift me higher
But I guess our time's expired
I'm giving you the match
Set our love on fire[Refrain]
Hopeless hopelessly romantic
You, you got me stranded
Ooh, I'm blown blown blown[Verse 4]
Now tell me was I ever something that you could regret
I know I wasn't the one for you, but at least I tried my best
Surrounded by questions like, "Why'd you two part ways?"
But if my memories right, you're the one that left[Refrain]
I'll be hopeless hopelessly romantic
You, you got me stranded
Ooh, I'm blown blown blownOoh yeah, I'm blown blown blown
Yeah, I'm blown blown blown
