

# Screwed

## Kid Cudi

Hey-oh-oh

Hey-oh-oh

Hey-oh-oh

Oh- oh

I've been trying to steer

Been trying to steer it right

It's fairly clear how I might be screwed

The end is near

Said the end is nearing

It's fairly clear we might be crewed

When life loses appeal

When the ghosts appear

Just a kid in the moonlight

Just a kid in the moonlight

Headlights on a deer

Headlights on the fear

Just a kid in the moonlight

Rahm, rahm

Rahm, rahm

Rahm, rahm

Mmm

Rahm, rahm

MmmHey-oh-oh

Hey-oh-oh

Hey-oh-oh
