Riot Reunion

Quiet Riot

What time is it, I want to know
It's late and we're feelin' great
Well the time is now, we're ready to go
Gonna make it right tonight, oh yeah
Come on, come on, to the riot reunion
Come on, come on, we're gonna get you
Come on, come on, to the riot reunion (yeah)
The lights are bright, we're gonna dance all night
It's late and we're feelin' great
I want to see 'em move, ain't got no time to lose
Rock on all through the night (oh yeah)
Come on, come on, to the riot reunion
Come on, come on, we're gonna get you

Come on, come on, to the riot reunion
We're feelin' funny 'cause now is the time
We'd like to get crazy with you
You got to lock the doors 'cause their havin' no more
Ain't gonna let you out 'til we're through
Oh yeah yeah, oh yeah yeah yeah yeah yeah yeah let's go!!
Come on, come on, to the riot reunion
Come on, come on, we're gonna get you
Come on, come on, to the riot reunion
Come on, come on!
