

Sorry

Kaskade

Moving fast or standing still
The distance seems so much to fill I wanna say Im sorry
My love, I was wrong
I wanna say Im sorry
My love, Ill be strong I wanna say Im sorry
My love, take my hand
I wanna say Im sorry
Dont worry, understand In my mind the image I see
Keep it close, always reminding me I wanna say, I wanna say
My love, I was wrong
I wanna say Im sorry
My love, Ill be strong I wanna say Im sorry
My love, take my hand
I wanna say Im sorry
Dont worry, understand I wanna say Im sorry
My love, I was wrong
I wanna say Im sorry
My love, Ill be strong I wanna say Im sorry
My love, take my hand
I wanna say Im sorry
Dont worry, understand I wanna say Im sorry
