

Forever Young

One Direction

[Liam]

Let's dance in style,

Let's dance for a while,

Heaven can wait we're only watching the skies,

Hoping for the best but expecting the worst,

Are you gonna drop the bomb or not?[Harry]

Let us die young or let us live forever,

We don't have the power but we never say never,

Sitting in a sandpit,

Life is a short trip,

The music's for the sad man.[ONE DIRECTION]

Forever young,

I wanna be,

Forever young,

Do you really want to live forever,

Forever,

Forever young.[Niall]

Some are like water, some are like the heat,

Some are a melody and some are the beat,

But sooner or later they all will be gone,

Why don't they stay young?[Harry]

It's hard to get old without a cause,

I don't want to perish like a fading horse,

Youth is like diamonds in the sun,

And diamonds are forever.[One Direction]

Forever young,

I wanna be,

Forever young,

Do you really want to live forever,

Forever,

Or never?

Forever young,

I wanna be,

Forever young (forever),

Do you really want to live forever,

Forever,

Or never?[Liam]

So many adventures couldn't happen today,

So many songs we forgot to play,

So many dreams swinging out of the blue,
We'll let 'em come true.[Harry]
Forever young,
I wanna be,
Forever young,
Do you really want to live forever,
Forever,
Or never?[One Direction]
Forever young,
I wanna be,
Forever young
Do you really want to live forever,
Forever,
Or never?
Forever young,
I wanna be,
Forever young (forever),
Do you really want to live forever,
Forever,
Or never?
Forever young,
I wanna be,
Forever young (forever),
Do you really want to live forever (forever),
Forever (forever),
Forever young...
(forever)
