Wing

Bo Kyung Kim

One two three fourI was a wing in Heaven blue
Soared over the ocean, soared over Spain
And I was free needed nobody
It was beautiful, it was beautifulI was a pawn didn't have a move
Didn't have nowhere that I could go
But I was free I needed nobody
It was beautiful, it was beautifulAnd if there's one thing
Could do for you
You'd be a wing in Heaven blueI was a vision in another eye
And they saw nothing, no future at all
Yet I was free I needed nobody
It was beautiful, it was beautifulAnd if there's one thing
Could do for you
You'd be a wing in Heaven blueAnd if there's one thing
Could do for you
You'd be a wing in Heaven blueAnd if there's one thing
Could do for you
You'd be a wing in Heaven blue
