

Butterfly

Alana Lee

You tell me you love me, you say you'll be true
Then you fly around with somebody new
 But I'm crazy about you
 You butterfly
You treat me mean, you're makin' me cry
I've made up my mind to tell you goodbye
 But I'm no good without you
 You butterfly
I knew from the first time I kissed you
 That you were the troublin' kind
'Cause the honey drips from your sweet lips
 One taste and I'm outta my mind
I love you so much I know what I'll do
I'm clippin' your wings, your flyin' is through
 'Cause I'm crazy about you
 You butterfly

 Oh, I'm crazy about you
 You butterfly
 Oh, I can't live without you
 You butterfly
I knew from the first time I kissed you
 That you were the troublin' kind
'Cause the honey that drips from your sweet lips
 One taste and I'm outta my mind
Oh, I love you so much I know what I'll do
I'm clippin' your wings, your flyin' is through
 'Cause I'm crazy about you
 You butterfly
 You butterfly
 You butterfly
