

# The 9 - 45 Wake - Up Dream

P.M. Dawn

Destiny paints the picture at about 9:45, I possess the image at about 10:15

Reality paints the picture at about 5:25, and I'm like how much sugar do you take in your dreams?

So I practice complicity around 9:45, yeah that's right, yeah that's right unending  
Life, are you in my mind? are all my dreams mine? wake me up at 9:45

Life, do you believe in time? do you love your life? wake me up at 9:45  
Destiny writes direction at about 9:45, I receive the visions at about 10:18

Reality drives perception 'till about 5 after 5, and I'm like angels always saturate your schemes

So I practice complicity around 9:45, so I dream, yes I dream, so infinite.  
Life, are you in my mind? are all my dreams mine? wake me up at 9:45

Life, do you believe in time? do you love your life? wake me up at 9:45  
Here's your chance to be unstable, here's your chance to be unsatisfied,

Here's your chance to dream just like me, realizing we've been fantasized

No need to Christianize me, no need to antagonize my life,

No need to actualize me, cause you've just been bitten  
Destiny sings redemption at about 9:45, I can hear the symphony around 10:19,

Reality stops the music at around 5:59, and I'm like you can't change the volume in my dreams

So I practice complicity around 9:45, existing infinite limitless
