

# Dreams

## Fleetwood Mac

Now here you go again, you say you want your freedom  
Well who am I to keep you down?  
It's only right that you should play the way you feel it  
But listen carefully to the sound of your lonelinessLike a heartbeat, drives you mad  
In the stillness of remembering  
What you had and what you lost  
And what you had and what you lostThunder only happens when it's raining  
Players only love you when they're playing  
They say, women, they will come and they will go  
When the rain washes you clean, you'll know  
You'll knowNow here I go again, I see the crystal visions  
I keep my visions to myself  
It's only me who wants to wrap around your dreams and  
Have you any dreams you'd like to sellDreams of loneliness like a heartbeat, drives you mad  
In the stillness of remembering  
What you had and what you lost  
And what you had, oh what you lostThunder only happens when it's raining  
Players only love you when they're playing  
Women, they will come and they will go  
When the rain washes you clean, you'll knowOh thunder only happens when it's raining  
Players only love you when they're playing  
They say, women, they will come and they will go  
When the rain washes you clean, you'll know  
You'll know, you will know  
Oh oh oh you'll know
