

Speechless

Rupert Holmes

I can make a speech
When the mood comes to me, yes it's true
But oh pretty darlin'
I am speechless when it comes to youSpeechless when you reach for my hand
I am so speechless and I can't understand how you love me
But as long as you keep sayin' that you love me
There is nothin' I can sayExcept I am speechless at the sound of your voice
I am so speechless and since I have no choice
I keep smilin' like a cat whose caught a bird
And just keep smilin'If I dare to say a word, you'd find me mindless
And I don't really mind, love is blindness
And my mind is resigned to the kindness you keep pourin' on me
Can it be? Can it be? Can it be all for me?I don't have a hope
If you don't dream of me, this is true
'Cause oh pretty darlin'
I am hopeless when I dream of youSpeechless and the heart never lies
I am so speechless so I speak with my eyes
I am just smilin' 'cause I've seen [Incomprehensible]
Oh, are you smilin' at my face within the darknessWhen I am breathless and I come up for air
It's so endless that it gives me a scare
It's so timeless that I never touch ground
Why should I? Why should I? Why should I make a soundI can sing your song
I can sigh in the night, this is true
But oh pretty darlin'
I am speechless at the sight of you
