Don't Go To Strangers

Gene Ammons

Build your dreams
To the stars above
But when you need someone true to love
Don't go to strangers
Lover come to me
Play with fire
Get your fingers burned
But when there's no place left to turn
Don't go to strangers
Lover come to me
You give the call to follow your heart

You'll follow your heart, I know
I've been around
I'm an old hand
I'll understand if you have to go
So make your mark
For your friends to see
But when you need more than company
Don't go to strangers
Lover come to me
Don't go to strangers
Lover come to me
