

Screaming Mayday

Dot Dot Curve

Mayday mayday I'm going to crash.
I can't pull myself up no I won't last.
I'm fallin' off my feet onto the ground.
You abanded me no where to be found.

Mayday mayday I'm going to crash.
I can't pull myself up no I wont last.

Mayday mayday I'm going to crash.
I can't pull myself up no I won't last.

I can't pull myself my no I won't last.
I can't pull myself up no I won't last.

Mayday mayday I'm going to crash.
I can't pull myself up no I won't last.
I'm fallin' off my feet onto the ground.
You abanded me no where to be found.

Mayday mayday I'm going to crash.
I can't pull myself up no I won't last.
I'm fallin' off my feet onto the ground.
You abanded me no where to be found.

I don't know what I did but you do.
I don't know what I did but you do.
I can't think of anything except you.
I can't think of anything except you.

I don't know what I did but you do.
I don't know what I did but you do.
I can't think of anything except you.
I can't think of anything except you.

Mayday mayday I'm going to crash.
I can't pull myself up no I won't last.
I'm fallin' off my feet onto the ground.
You abanded me no where to be found.

Mayday mayday I'm going to crash.

I can't pull myself up no I won't last.
I'm fallin' off my feet onto the ground.
You abanded me no where to be found.

Mayday (x19)

Mayday mayday I'm going to crash.
I can't pull myself up no I won't last.
I'm fallin' off my feet onto the ground.
You abanded me no where to be found.

I don't know what I did but you do.
I don't know what I did but you do.
I can't think of anything except you.
I can't think of anything except you.

I can't think of anything except you.
I can't think of anything except you.
