Suck

The Wedding Present

Free From The Sun.
In The Dark I Am None.
Though My Heart Sinks Like That One,
I Am Told.
Respect Nothing!
Not This Love.
Falling Further in This Motherfucking Hole!
Believe Me, Believe Me, Believe Me
When I Say you suck.
You Disgust Me When You bring Me Down.
But though My Heart Says I Will Die Without YOU!
Respect Nothing!
Not This Love.
Falling Further In This Motherfucking Hole!
Believe Me When I Say You Suck.
oh fuck!
Believe Me, Believe Me, Please Believe Me,
When I Say, When I Say, When I Say, When I... Say
FUCK YOU, YOU THINK ITS ALL FUNNY (3x)
FUCK YOU. Like I Said
FUCK YOU, YOU THINK ITS ALL FUNNY (3x)
FUCK YOU!
