## Radney Foster

Ain't it funny  
The turns life puts you through  
Dont know whats round the bend  
Lord you dont know where its leading you  
Close your eyes, say a prayer  
Take it on the chin  
Its the darnedest thing  
Who comes round again  
Baby, I thought that love was  
Over and gone forever  
Never gonna come back to me  
Never gonna hold me again  
But your love  
Pounds in my heart like thunder  
Flashes through me like lightning  
Making me believe again  
Dont know what I'm supposed to say  
Ain't got a clue 'bout what I need to do  
All I know is how I feel right here  
Right now with you  
Baby, I thought that love was  
Over and gone forever  
Never gonna come back to me  
Never gonna hold me again  
But your love  
Pounds in my heart like thunder  
Flashes through me like lightning  
Making me believe again  
Baby, I thought that love was  
Over and gone forever  
Never gonna come back to me  
Never gonna hold me again  
But your love  
Pounds in my heart like thunder  
Flashes through me like lightning  
Making me believe again  
Making me believe again  
Making me believe again
