

# It Wasn't Me

Anouk

Can you tell me how you feel  
When you turn on your tv  
When you see me singing through my tears  
I've saved up all these years  
Can you tell me what you see  
When you read the magazines  
Do you see yourself in me  
When you read the magazines  
When the DJ plays this song  
Can you tell me what you hear And I hope you feel the way we felt  
When you put us all through hell  
Can you tell me how you feel now  
How do feel, how do you feel  
Tell me how you sleep at night  
Do you take those pills like me  
Or do you toss and turn  
And lay your head on the pillow and fall asleep  
'Cause you just don't care,  
How do you feel And now I'm in your face  
And you feel that empty space  
Why did we, how did we come to fall from grace  
Falling, falling  
Didn't you just hear us calling out  
No there's nothing left to say  
'Cause you shouldn't have stayed away  
No man leaves his flesh and blood  
This way And I hope you feel the way we felt  
When you put us all through hell  
Can you tell me how you feel now  
How do feel, how do you feel  
Tell me how you sleep at night  
Do you take those pills like me  
Or do you toss and turn  
And lay your head on the pillow and fall asleep  
'Cause you just don't care  
How do you feel
