

On the Outside

Kenny Thomas

Tryin' hard but gettin' nowhere
I keep waitin' for you
It's like you don't even notice
What you puttin' me through
You tell me, that you'll be there
But I believe you everytime
Oh, you tell me that you don't care
Stop goin' 'round in circles and make up your mind
I go in and out of love
I go in and out of love
I go in and out of love with you
I go in and out of love
I go in and out of love
I go in and out of love with you
I'm livin' on the outside
Livin' on the outside
Of you
I'm livin' on the outside
Livin' on the outside
Of you
What happened to the feelin's
That we used to share?
You so out of reach from me baby
It's like there's nothing there
You tell me, that you need me
And I believe you everytime
You tell me, that you're leavin'
Stop goin' 'round in circles and make up your mind
I go in and out of love
I go in and out of love
I go in and out of love with you
I go in and out of love
I go in and out of love
I go in and out of love with you
I'm livin' on the outside
Livin' on the outside
Of you
I'm livin' on the outside
Livin' on the outside

Of you
You never know just how I feel
For you
You never know
How long can I wait here for you?
You never know just how I feel
For you
How long can I wait here for you?
I go in and out of love
I go in and out of love
I go in and out of love with you
I go in and out of love
I go in and out of love
I go in and out of love with you
I go in and out of love
I go in and out of love
I go in and out of love with you
I go in and out of love
I go in and out of love
I go in and out of love with you
I'm livin' on the outside
I'm livin', I'm livin' outside of you
I'm livin' baby
I'm livin', I'm livin' outside of you
I'm livin' on the outside
I'm livin', I'm livin' outside of you
That's how I'm livin' baby
I'm livin', I'm livin' outside of you
Livin' baby
Livin' baby
Livin' baby
That's how I'm livin' baby
Livin' baby
Livin' baby
Livin' baby
That's how I'm livin' baby
Livin' baby
Livin' baby
Livin' baby
That's how I'm livin' baby
Livin' baby
Livin' baby
Livin' baby
That's how I'm livin' baby
