Feel This Moment

Zk Pulsion

Ask for money, and get adviced
Ask for advice, get money twice
I'm from the Dirty, but that chico nice
Ya'll call it a moment, I call it life
One day when the light is glowing
I?ll be in my castle golden
But until the gates are open
I just wanna feel this moment (ohhh)
I just wanna feel this moment (ohhh)
I just wanna feel this moment

Oye mamita, come on, dale, que la cosa esta rica (I wanna feel this moment)

[Beat break]Feel this moment...

Reporting live, from the tallest building in Tokyo

Long ways from the hard ways

Bill sos, and oh yeas

They count it always, 305 all day

Now baby we can party, oh baby we can party

She read books, especially about red rooms and tight ups

I got it hooked, cause she seen me in a suit with the red ta-ta up

Meet and greet, nice to meet ya, but time is money

Only difference is I own it, now let's stop time and enjoy this moment

One day when the light is glowing

I?ll be in my castle golden

But until the gates are open

I just wanna feel this moment (ohhh)

I just wanna feel this moment (ohhh)

I just wanna feel this moment

[Beat break]Feel this moment...

I see the future but live for the moment, make sense don't it Now make dollars, I mean billions, im a genius, I mean brilliant

This street is what scoot em

And made em slicker, to slick with the ruler

I've lost a lot, and learned a lot

But i'm still undefeated like Zula

I'm far from cheap, I break down companies with all my peeps

Baby we can travel the world And not given view, and all you can see Time is money

Only difference is I own it, like a stop watch, let's stop time and enjoy this moment One day when the light is glowing

I?ll be in my castle golden

But until the gates are open

I just wanna feel this moment (ohhh)

I just wanna feel this moment (ohhh)

I just wanna feel this moment

[Beat break]Come one, feel this moment....

(ohhh) I just wanna feel this moment

(ohhh) I just wanna feel this moment
