

# Down Boys

## Warrant

Certain things you do really make me mad I must confess  
Way the street light silhouette your thighs inside your dress  
Wild child in the streets I think I see you, but I really don't know, who knows  
One million miles an hour headed out to where the down boys go Woh, can we rewind to where we've been?  
Ooh, I wish you'd take a look and see the shape I'm in Where the down boys go  
(Go)  
Where the down boys go  
(Go)  
Where the down boys go  
Yeah, I wanna go where the down boys go, baby You comb your hair, put on your shades, you look real cool  
You're gimme the runaround, make me feel like your fool  
Got a lot of nerve to call me cheap even though it's true  
Well I don't care where we go tonight, take me along with you Can we rewind to where we've been?  
Ooh I wish you'd take a look and see the shape I'm in Where the down boys go  
(Go)  
Where the down boys go  
(Go)  
Where the down boys go  
Yeah, I wanna go where the down boys go, baby Certain things you do really make me mad I must confess  
Way the street light silhouette your thighs inside your dress, ooh yeah Woh, can we rewind to where we've been?  
Ooh I wish you'd take a look and see the shape I'm in Where the down boys go  
(Go)  
Where the down boys go  
(Woh woh)  
Where the down boys go  
Yeah, I wanna go where the down boys go Where the down boys go  
Where the down boys go  
Where the down boys go  
Where they go
