Numb As A Statue

Warren Zevon

I'm numb as a statue I may have to beg, borrow or steal Some feelings from you So I can have some feelings tooI'm pale as a ghost You know what I love about you And that's what I need the mostI'm gonna beg, borrow or steal Some feelings from you I'm gonna beg, borrow or steal So I can have some feelings too And I don't care if it's superficial You don't have to dig down deep Just bring enough for the ritual Get here before I fall asleepAin't nothing special When the present meets the past I've always taken care of business I've paid my first and lastAnd I don't care if it's superficial You don't have to dig down deep Just bring enough for the ritual Get here before I fall asleepWell, I'm numb as a statue I may have to beg, borrow or steal Some feelings from you So I can have some feelings tooI'm pale as a ghost You know what I love about you And that's what I need the mostI'm gonna beg, borrow or steal Some feelings from you I'm gonna beg, borrow or steal So I can have some feelings tooI'm gonna beg, borrow or steal Some feelings from you I'm gonna beg, borrow or steal
