

Make Me Wanna Scream

[Blu Cantrell](#)

What's done in the dark comes to light, for sho'
So the thing you did with her, I was gonna know
You impressin' these girls, showin' off your flow
But I got my own bank, so I'm out the door (oh oh)
 You callin' me sayin' baby please
 don't believe those lies
 Crawlin' on your knees
 You're the only liar in the midst of me
You're a first bag, so just get away from me
What you do will always come back to you
 I'm tired of playin' games with you
 I'm really not feelin' you and
What you say don't mean a damn thing to me
 Tried to make a fool out of me
It's all just history
You make me want to shout
 Make me want to scream
 Make me loose my cool
But I'm gonna throw my hands up
You make me want to shout
 Make me want to scream
 Make me loose my cool
But I'm gonna throw my hands up
You make me want to shout
 Make me want to scream
 Make me loose my cool
But I'm gonna throw my hands up
Day after day you're telling me your story
 Saying your girlfriend just lying on me
 You say they just want what you got
 Wanting your post, boy I think not
 Man you think you're so hot
 You're the victim or so you say
I guess they're throwing their drawers
 and bras your way
I guess those condoms weren't yours
belong to your boys, call me deaf' cause
I'm not hearing that noise
What you do will always come back to you
 I'm tired of playin' games with you
 I'm really not feelin' you and
What you say don't mean a damn thing to me
 Tried to make a fool out of me
It's all just history
You make me want to shout
 Make me want to scream

Make me loose my cool
But I'm gonna throw my hands up You make me want to shout
Make me want to scream
Make me loose my cool
But I'm gonna throw my hands up You make me want to shout
Make me want to scream
Make me loose my cool
But I'm gonna throw my hands up Yes!
Chicka-bow Chicka-bow
chicka bow wow wow
Blu Cantrell is hot, hot
Redzone on fire!
