Sleep Alone

Two Door Cinema Club

No,
My only goal is to see
When I'm only fast asleep
It takes more than strength to find
This piece of mindSo I'll hold, hold, hold, hold it close
To my heart beating with every step
Hold, hold, hold it closeHe sleeps alone,
He needs no army where he's headed cause he knows
That they're just ghosts
And they can't hurt him if he can see them, oh
And I may go
To places I have never been to just to find
The deepest desires in my mindWe,
We only know, what we see
Cause we're always fast asleep
Cause it's so hard not to believe
That we'll never knowOh hold, hold, hold, hold me close
I've never been this far from home
Hold, hold, hold me closeHe sleeps alone,
He needs no army where he's headed cause he knows
That they're just ghosts
And they can't hurt him if he can see them, oh
And I may go
To places I have never been to just to find
The deepest desires in my mindIt's in my head
And I have said
That I must be like him, oh
He sleeps alone,
He sleeps alone
And one last chance
To make sense
Of what has long escaped us
He sleeps alone,
I sleep aloneHe sleeps alone,
He needs no army where he's headed cause he knows
That they're just ghosts
And they can't hurt him if he can see them, ohAnd I don't know
If in the morning I will be here and if so
Let it be known

That I was worthy
I was worthy
I was worthy
I was...
