It's What I Do

Billy Dean

I knew a man, he was a real go getter
What he did best, was climb the ladder of success
And how far he went was how he measured
The worth of his life and who he was
But that's all behind me now becauseLoving you, it's what I do
It's the one thing I've found, I can put my heart into
It's who I am, I'm a lucky man
Living the life I choose
Loving you, it's what I doI do what I can to make an honest living
But it's just a job it's not what I am living for
I want to earn the love you're giving
That's all that matters now to me
No matter what I'll always beLoving you, it's what I do
It's the one thing I've found, I can put my heart into
It's who I am, I'm a lucky man
Living the life I choose
Loving you, it's what I doLoving you, it's what I do
