Last Time

Chick Willis

I've been waitin' for you all night
I've got somethin' to say so listen good
Even fools can see the light
You should have known I would
'Cause I, I've been a desperate man
Wonder why I don't understand?
All the pain, that I feel,
With every piece of my heart that you steal
'Cause it's the last time
You'll never get another chance again
It's been a fine line, the feeling's over
And I can't pretend, it's the last time
I heard talkin', I guess it's true
You were wrong, I can see it in your eyes
Now it's down to me and you
So where're you gonna hide?
'Cause I, I've been a desperate man
Wonderin' why, why you don't understand?
All the pain, that I feel
With every piece of my heart that you steal
'Cause it's the last time
You'll never get another chance again
It's been a fine line
The feeling's over and I can't pretend, no
you think I believe all your lies?
I handed my heart to you
I should have known it was wrong
Right from the start 'cause now it's time to say goodbye
Baby it's the last time
You'll never get another chance again
It's been a fine line
The feeling's over and I can't pretend
Baby it's the last time
You'll never get another chance again
It's been a fine line, the feeling's over
And I can't pretend, it's the last time
