Alive!

The 69 Eyes

69 days I was there
Beyond somewhere among the dead
Now I came back just to tell
What it is to be in human hell
C'mon I'm alive!

I'm alive
I'm alive

Guess you thought that I would die
With a voodoo witch I survived
Now I came back get you scared
I want to be your own living dead
C'mon I'm alive!

I'm alive
I'm alive
