

Many a Mile

Collin Raye

I look down the road
That winds in the distance
And wonder where it might lead
I only know it makes no difference
As long as you walk with me
Many a mile we will travel
Many a dream we will share
Many's the time we will gladly take
The long way there
With every step
We will draw closer
With every turn
Our love will grow
Take my hand
We have many a mile to go True love is not
A destination but
One day we will arrive
This is the journey
We will be taking
The rest of our lives
Many a mile we will travel There will be days that we're missing
All the places our love has been
There will be joy in knowing the best
Is still around the bend
With every step
We will draw closer
With every turn
Our love will grow
Take my hand
We have many a mile to go
Oh, take my hand
We have many a mile to go
Many a mile to go
