

# Nasty Love

## Lords of Acid

Beautiful  
So sensual  
You are the foxy thing I've always dreamed of

Adorable  
And so sexual  
I've got the hots for you when I look at you love

Hot hot hot  
Is the way you make me feel boy  
Wild wild wild  
Dirty passion in the end  
Love love love  
Lay your nasty love on me boy  
I need a hot wild lover to cum all over me

Full of fire  
Conquer desire  
My plan is pumping wild  
When I float to you boy

Dangerous  
So sensuous  
Give me the night of sin  
Let me into your world

Hot hot hot  
Is the way you make me feel boy  
Wild wild wild  
Dirty passion in the end  
Love love love  
Lay your nasty love on me boy  
I need a hot wild lover to cum all over me

Hot hot hot  
Is the way you make me feel boy  
Wild wild wild  
Dirty passion in the end  
Love love love  
Lay your nasty love on me boy

I need a hot wild lover to cum all over me
