

Whoz That Girl

EXID

Yes, I will let you go
Ill pray that youll last longer with her, Ill pray
Ill forget, forget everything related to you
So that I wont ever cry again
You treated me pretty well all this time
So dont think that you should be sorry
Dont think that you dumped me
I wont ever tell anyone that you were once my man
I will ignore even our habits Whoz that girl tell me Whoz that girl
Whoz that girl tell me Whoz that girl
Ill wait and see how great of a girl you met
Whoz that girl tell me Whoz that girl
How pretty she is that you left me
Who u u u u Whoz that girl Yeah Leggo the novel called you is no fun anymore
Because its full of only lies stories that draw eyes,
Shell be interested in them too why do you expect me to cry?
(No) I neva act likt that I ain no holla back girl

Dont easily speak of me to others

Ill wait and see how great of a girl you met
Whoz that girl tell me Whoz that girl
How pretty she is that you left me
Who u u u u Whoz that girl I didnt know the thin ice of your love and took a step
