

# I Love It (feat. Charli XCX) [Volta Bureau Remix]

## Icona Pop

Advisory - the following lyrics contain explicit language:

I got this feeling on the summer day when you were gone  
I crashed my car into the bridge, I watched, I let it burn  
I threw your shit into a bag and pushed it down the stairs  
I crashed my car into the bridge I don't care, I love it, I don't care I got this feeling on the summer day when you  
were gone  
I crashed my car into the bridge, I watched, I let it burn  
I threw your shit into a bag and pushed it down the stairs  
I crashed my car into the bridge I don't care, I love it, I don't care You're on a different road, I'm in the milky  
way  
You want me down on earth, but I am up in space  
You're so damn hard to please, we gotta kill this switch  
You're from the 70's, but I'm a 90's bitch I love it, I love it I got this feeling on the summer day when you were  
gone  
I crashed my car into the bridge, I watched, I let it burn  
I threw your shit into a bag and pushed it down the stairs  
I crashed my car into the bridge I don't care, I love it  
I don't care, I love it, I love it  
I don't care, I love it, I don't care You're on a different road, I'm in the milky way  
You want me down on earth, but I am up in space  
You're so damn hard to please, we gotta kill this switch  
You're from the 70's, but I'm a 90's bitch I don't care, I love it  
I don't care, I love it, I love it  
I don't care, I love it  
I don't care, I love it, I love it  
I don't care, I love it
