

Grand Canyon

The Wind and The Wave

Grand Canyon - The Wind and The Wave

Down to your skivvies at the watering hole,
Gonna get you wet, gonna save your soul
Itâ€™s the damnedest thing, oh itâ€™s the damnedest thing

Yes well nothingâ€™s gonna happen, youâ€™re invincible
Pedal to the metal down a dark dirt road
Itâ€™s the damnedest thing, oh itâ€™s the damnedest thing

Trouble maker where are you off to now?
I can tell you this ainâ€™t working out for anyone
Trouble maker where are you off to now?
I can tell you this ainâ€™t working out for anyone

My heart burns yeah Iâ€™m tired of the same old stuff
Running like a river from god knows what
Itâ€™s the damnedest thing, oh itâ€™s the damnedest thing

Donâ€™t die, youâ€™re just a baby, yeah youâ€™re way too young
You havenâ€™t lived till youâ€™ve been to the Grand Canyon
Itâ€™s the damnedest thing, oh itâ€™s the damnedest thing

Trouble maker where are you off to now?
I can tell you this ainâ€™t working out for anyone
Trouble maker where are you off to now?
I can tell you this ainâ€™t working out for anyone

Oh Oh oh Oh oh oh oh ohhhh ohhhhh oooooooooooooo
Oh Oh oh Oh oh oh oh ohhhh ohhhhh oooooooooooooo

You always knew just how to piss me off
Some people just donâ€™t have a rock bottom
Well I guess thatâ€™s you

Donâ€™t die, youâ€™re just a baby, yeah youâ€™re way too young
You havenâ€™t lived till youâ€™ve been to the Grand Canyon
Itâ€™s the damnedest thing, oh itâ€™s the damnedest thing

Trouble maker where are you off to now?

I can tell you this ainâ€™t working out for anyone
Trouble maker where are you off to now?
I can tell you this ainâ€™t working out for anyone
Oh I can tell you this ainâ€™t working out for anyone
No I can tell you this ainâ€™t working out for anyone
